

SCREENER SHEET
1999 NEW ZEALAND MAORI ELECTION STUDY

JOB NO.

Introduction

Good (morning/afternoon/evening), my name is from ACNielsen, the research company. We are conducting a survey on behalf of the New Zealand Election Study, which is an organisation of people from Waikato and Auckland Universities who are doing research about the 1999 General Election and related matters.

The part of the research we are concerned with involves only the Maori population, so we need to speak to a Maori person. Is there anyone in this household who is Maori and over age 18?

If the door-answerer is unsure, the definition of Maori is whether people consider themselves to be Maori.

Yes	CONTINUE
No	TERMINATE

INTERVIEWER PLEASE HAND DOOR-ANSWERER THE NZES
INTRODUCTORY LETTER AND ALLOW TIME TO READ.

It is very important that we interview a representative selection of Maori New Zealanders for this survey, so I have to ask you a few questions to help me select who in your household is the right person for me to talk to.

*Can you please tell me the first name and month of birth of **all Maori people aged 18 years and over** who live here at the present time.*

RECORD NAMES AND BIRTH MONTHS ON INSIDE COVER OF QUESTIONNAIRE TO SELECT CORRECT RESPONDENT.

ONCE CORRECT RESPONDENT SELECTED

. (NAME) is the person I need to interview. Is s/he available now?

ARRANGE CALLBACK OR RE-INTRODUCE IF NECESSARY.

Correct Respondent

We are an independent market research company and all of our work is completely confidential. Your answers will be combined with those of other people we talk to and there will be nothing in the results that could identify you.

IF NOT ALREADY SEEN, HAND RESPONDENT THE NZES INTRODUCTORY LETTER AND ALLOW TIME TO READ.

The survey will take approximately 40 minutes to complete. Can I talk to you now or may I call back at a later time?
